Dear Mr Royle,

Re: Fishing Match - 2007

Thank you very much for your fundraising resulting in this donation of £200.00 to the Cystic Fibrosis Trust. We are very grateful for your time and effort spent raising this amount.

It is through the hard work and determination of our supporters like you that we have been able to fund the gene therapy research that has developed a product that we hope will go forward to clinical trial.

Our commitment to finding an effective treatment for CF through gene therapy goes on, but we are also investing in research to combat the symptoms of CF, we campaign to ensure appropriate healthcare for those with CF and we provide information, advice and support to families.

Once again, please accept our thanks for enabling us to continue our work.

Yours sincerely,
